DEPOSITORY BOND
THE HUNTINGTON NATIONAL BANK

KNOW ALL MEN BY THESE PRESENTS:

THAT, The Huntington National Bank, a national banking association organized under the laws of the United States, is held and firmly bound unto the State of West Virginia, in the sum of **Twenty Five Thousand** and no/100 Dollars (**\$25,000.00**) the payment whereof well and truly to be made, it binds itself, its successors and assigns firmly by these presents.

Signed, sealed and dated this twenty-ninth of July, 2011.

WHEREAS, the **Wood County Commissioners** West Virginia, has designated the said Huntington National Bank at Columbus, Ohio, as a depository of public monies deposited by **Wood County Commissioners** and to remain such for a period beginning **July 1, 2011** up to and including **June 30, 2012**, upon execution of proper bond in the penalty of not less than the maximum sum that shall be deposited in said Bank at any one time, and in lieu of a surety bond has authorized that said bond be secured by interest bearing securities pursuant to the laws of the State of West Virginia and to qualify as such depository by giving a proper bond secured as aforesaid.

NOW THEREFORE, the condition of the above obligation is such that if the above bound The Huntington National Bank shall receive, safely keep and pay over all the monies deposited by the said **Wood County Commissioners** which may be deposited in it or come into its custody as such depository of public monies deposited by **Wood County Commissioners** together with interest thereon at the rate from time to time agreed upon by **Wood County Commissioners** and the said depository, and shall further faithfully perform all the duties imposed by the laws of the State of West Virginia upon it as such depository, then the above obligation shall be null and void; otherwise to remain in full force and effect.

In order to secure prompt payment of any obligation or liability which may be incurred by said Bank, as in these presents contemplated by reason of the breach of any condition of this bond, the said Huntington National Bank has assigned, transferred, set over and delivered unto **Wood County Commissioners** all the securities and assets of said Bank listed in Schedule A hereof, and any additional securities which may hereafter be added thereto or pledged in the place or substitution of any of the securities now listed in said schedule, and the said Bank undertaking, covenanting and agreeing to pledge and keep pledged at all times securities of substantially the same value and marketability upon the approval of **Wood County Commissioners** of an aggregate face or par value equal to the sum of **Twenty Five Thousand** and 00/100 Dollars (**\$25,000.00**).

It is mutually covenanted and agreed by and between the said Bank and the said **Wood County Commissioners** that the said securities so pledged by said Bank shall be held for the benefit of **Wood County Commissioners** by Federal Reserve Bank of Cleveland as depository for said securities (the "Custodian"); and it is further mutually covenanted and agreed that in the event the **Wood County Commissioners** shall deposit or place with said Huntington National Bank, funds in excess of the aggregate amount of the face or par value of the securities listed in Schedule A, at any time, or from time to time, said Huntington National Bank shall thereupon notify said **Wood County Commissioners** and request said **Wood County Commissioners** to withdraw from deposit in said Bank funds, or any part thereof, in excess of the aggregate amount of the face or par value of the securities listed in Schedule A, or said **Wood County Commissioners** may require additional securities from said Bank in such sum as the **Wood County Commissioners** shall by order designate, and said Bank shall thereupon and simultaneously transfer and place with the Custodian, securities of the character described above, so that the aggregate amount of such securities, at par or face value shall equal the original penalty of this bond, and the amount of additional securities required of said Bank.

Upon default by said bank in the performance of any of its undertakings, covenants and promises in these premises contained in the discharge of any obligation imposed upon it by these presents, the said **Wood County Commissioners** is authorized to sell and transfer in whole or in part the securities

and assets theretofore deposited under the provisions of these presents, and the Depository Agreement, such sale to be made at public auction after due notice given to said Huntington National Bank and published in a newspaper of general circulation in **Wood County** once a week for two (2) successive weeks.

It is expressly understood that so long, and only so long, as said Bank is not in default in the performance of any of its covenants and obligations in these presents contained, it shall have the right to collect, receive and keep the interest accruing upon all of the securities and assets at any time pledged hereunder; and, if, during such period, any part of such interest shall be paid upon to **Wood County Commissioners** the same shall be delivered and paid unto said Bank. For the purpose of collecting the interest payable on the securities so pledged, The Huntington National Bank shall have access to such collateral, in conjunction with a representative of the Custodian, in order to detach interest coupons representing payable interest, or may have the Custodian to detach such coupons. Further the Custodian shall release and pay over to The Huntington National Bank monthly, without further order of **Wood County Commissioners**, free of the security interest created by this Agreement, all payments of principal and interest received from time to time on such securities, provided (i) that the value of the collateral shall at all times be maintained at or above the level herein prescribed and (ii) further that the Custodian shall not pay such principal or interest to The Huntington National Bank during any period in which The Huntington National Bank is in default under its obligations as a depository of public monies under the laws of West Virginia.

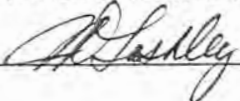

It is expressly understood and agreed that The Huntington National Bank shall have the right from time to time to withdraw any part of the above-mentioned collateral, upon substituting therefore other collateral meeting the same requirements as the securities listed in Schedule A, and further The Huntington National Bank shall have the right to withdraw any part of the collateral provided the money on deposit with said Bank does not exceed the amount of securities remaining as collateral security for the performance under the terms of this depository bond. Further the Custodian may automatically and without further consent or further order of **Wood County Commissioners** release and deliver to The Huntington National Bank, free of the security interest created by this Agreement, the pledged collateral in excess of the requirements of the value of pledge collateral of this Agreement.

The execution and delivery of this bond, the pledging of the assets in all respects in the same manner herein provided, and all of the terms and conditions of this bond were authorized and approved by the Senior Loan Committee of the Bank.

IN TESTIMONY WHEREOF, The Huntington National Bank has caused its corporate name to be hereunto subscribed by Jeff Lashley, its Vice President and its corporate seal to be hereunto affixed this twenty-ninth of July, 2011.
