Preferred Status Billing

In an attempt to serve you better, Fanelli Boys Inc. would like to offer SW Resources what we call Preferred Status Billing. Preferred Status Billing is our attempt to facilitate a better business practice for both parties by billing our clients a flat discounted monthly rate for services rendered rather than collecting when work is completed.

SW Resources is currently paying \$85.00 an hour for service. In accordance with your computer quote, 60 hours of labor would total \$5100.00. With Fanelli Boys Preferred Status Billing Agreement, your hourly labor charge will be \$30 per hour for the first 30 hours of labor. Once the initial 30 hours is used, you will then be billed monthly the standard Preferred Status Billing rate of \$45.00 an hour for the first 2 hours of labor (required) and \$55.00 per hour for each additional hour (billed in ½ hour increments). This Agreement will be billed the first of the month, due upon receipt, each month for a 12 month period. Early termination fees apply. This Agreement totals \$1980.00 – a total
