The words "here" and "here-in" shall represent "within this document". *And Bold= meeting bid requirements and or optional portions. For Maximum: strength, stability, lowest cost factors, and to "Do no harm"... we shall:**

Complete to specifications a restoration project to **replace The Wood County, W.V. Courthouse Balustrades** to the right and left of the tower, above the front entrance and on the second floor exterior. This will bring back the original 1899 American Gothic Revival Architecture. **Thus we shall hand-carve the stone balusters and railings, as were the originals, for this wonderful stone seat of justice.**

To that aim, we shall:

- 1- Rent a Telescopic "Man-lift" to keep construction to a minimum of pedestrian disruption, avoiding scaffolding... and provide a dumpster, for constant policing of debris, while:
- 2- We shall spend approximately two to three weeks in preparation, restorative construction and proper cleanup procedures.
- 3- We shall use a buff colored top grade Indiana Limestone to fabricate what was original; 24 balusters, hand carved, as originals, 4 stone rails and proper supports, mortar and locking systems for maximum safety and longevity, as shown in photos, early 20th Century.
- 4- First we shall remove existing remaining worn balusters, rails and support residue, cutting and removing the degraded steel dowel pins, concrete, mortar and broken stone, leaving corner posts in place for new railings.
- 5- We shall construct new bases and support systems, replacing old steel with stainless steel dowel pin anchors for balusters, new mortar and stone bases.
- 7- We shall truck all stone pieces to building site, install them, and clean all work premises.
- 8- We shall remain available for any adjustments or repairs to our work, found to be defective by fault of improper installation, materials or fabrication, for one year from the end of construction and inspection.

Pg2.

- 9- We shall seal our stone work, with a breathable sealant.
- 10- We'll fabricate "drip edge" on all rails, to protect balusters from undue water erosion.
- 11- We shall provide masons, a laborer and supervisor for this project, pay them the Prevailing Wage and begin in a timely manner, based upon the following:
A 50% down payment for stone and custom cutting per specs., the stone should be ready for installation 2- 3 weeks there-after (the clock starts when the contractor is in receipt of Down-payment of 50% check...thus a check paid for such purpose, of \$6,126.24, available August 26 th shall approximate stone delivery to site by September 16th, with completion of restoration by September 30th (unless otherwise arranged by Court House administration).
