All Wood County Citizens

Due to a recent illness it has become necessary for me to withdraw from the race for Wood County Commissioner. I do not feel it would be fair to other Republican candidates to remain on the ticket since I can not devote a full out effort to the campaign.

I therefore ask that, if possible, my name be removed from the ballot and I encourage all my supporters to support and vote for the most qualified Republican candidate.

I want to thank the citizens of Wood County for allowing me to serve as a commissioner for 12 years. I believe Wood County is destined for exciting times. With the coming of the Cracker Plant, oil and gas development and all related businesses the citizens of our area should see improved economic development for many years to come.

Thank You,

Robert K. "Bob" Tebay
