Responsibility for fire and police protection would be transferred from Wood County to the City of Vienna. Due to the proximity of the property in relation to City's boundaries, the location of this property in relation to other properties already within the corporate limits, it would be easier for the City to offer Sanitation, Fire, Police, and other Emergency Services to this property, relieving the County of the burden as well as maintenance of the road or street.

Please provide any additional information the municipality believes would be relevant to assist the County Commission in determining whether the proposed annexation should be granted.

The City of Vienna desires that this property be annexed into the City.

SECTION 9

Please provide a professionally surveyed GIS Map of the area to be annexed.
