Dear Mr. McGee:

RE: Grant No.: 16-CC-26

On behalf of the Wood County Day Report Center, the Wood County Commission would like to request a grant revision to the above referenced grant. Throughout this grant year there has been several personnel changes which has resulted in some excess funds in the Personnel/Contractual line item. In addition, it appears as if none of the current staff will obtain additional credentialing during this grant year which would have required additional funds.

Therefore, the following grant revisions are being requested:

- There is \$2,258.00 in the Other Category which Wood County would like to have transferred to the Personnel/Contractual Category.
- The Day Report Center would like to use these excess funds in the Personnel/Contractual Category for the following:
 - Add Travis Bunner to the grant for the months of May and June 2016. These two months would expend \$5,591.24 in grant funds.
 - Add Samantha Cobb (part-time Case Manager in Jackson County) for the months of May and June 2016. Her personnel costs should expend the remaining grant funds.
