Mayor and/or Commissioner

Commissioners:

This is a letter to request that the Commission consider the suspension of the 45 day waiting period, if the measure passes for rate increase as presented by the Lubeck Public District.

This delay will very possible push the Project into late fall and possible delay water to these customers until summer of 2017.

The Bid advertisements and bid awards will take several weeks and this process can be speeded up if the 45 day waiting period is not pursued by the Commission.

Thank You for consideration of this important matter.

IN RE: LUBECK PUBLIC SERVICE DISTRICT
Proposed Rate Increase

ORDER

Before the Commission is a proposed rate increase submitted by LUBECK PUBLIC SERVICE DISTRICT. The Commission has conducted a public hearing on the 19th day of April, 2016, and has further discussed and considered the proposed rate increase at three (3) regular meetings of the Commission.

Upon due consideration, at its regular meeting on the 16th day of May 2016, the Commission, upon motion duly made, seconded and unanimously adopted, approved the proposed rate increase. It is therefore **ORDERED**, in accordance with the provisions of West Virginia Code Chapter 16, Article 13A, Section 9 that the proposed rate increase submitted by LUBECK PUBLIC SERVICE DISTRICT, attached hereto and incorporated herein by reference, is hereby ratified and approved.

By majority vote (Commissioner Gainer opposed), and in accordance with the provisions of West Virginia Code 16-13A-9(a)(F), the Commission further finds and declares that Lubeck Public Service District is in financial distress such that the forty-five (45) day waiting period would be detrimental to the ability of the District to deliver continued and compliant services, that accordingly the forty-five (45) day waiting period shall be waived, and the rate increase shall be effective upon entry of this Order.

Entered this 16th day of May, 2016.
