Marty: On the May 2017 report for F17-HS-03-405d submitted June 12, 2017, there was a mistake of \$200. The amount requested should have been \$1,226.85 instead of \$1,026.85. The \$200 mistake was with the Jackson County Sheriff Department reimbursement.

The GHSP will add this \$200 to the County's July report which was submitted on August 14, 2017. The total amount to be reimbursed to Wood County will be \$3,837.99 instead of the \$3,637.99 listed in the grant report.

As a result of this change, Wood County will need to add Jackson County Sheriff Department to the list of agencies to be reimbursed. Their reimbursement amount will be \$200.00.

Any questions please let me know. Sorry for the confusion. Thanks! Toni

Should a question arise as to whether a particular use of federal funds by a subrecipient would or might fall within the scope of an appropriations-law restriction, the subrecipient is to contact DJCS and OJP for guidance, and may not proceed without the express prior written approval of DJCS and OJP.</p>	
104.	Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees).
<p>The subrecipient must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant. The subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712. Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the subrecipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.</p>	
105.	Office for Victims of Crime (OVC) and/or Office of the Chief Financial Officer (OCFO) Authorization.
<p>The subgrantee authorizes DJCS and the Office for Victims of Crime (OVC) and/or the Office of the Chief Financial Officer (OCFO), and its representatives, access to and the right to examine all records, books, paper or documents related to the VOCA grant. DJCS will further ensure that all VOCA subgrantees will authorize representatives of OVC and OCFO access to and the right to examine all records, books, paper or documents related to the VOCA grant.</p>	
106.	Coordination of Victim Services Policy and Inter-Agency Referral Agreement.
<p>Subgrantees must develop and implement a specific policy regarding how they refer victims to and collaborate with other services providers when the services offered at their facilities do not meet the needs of victims, including an "Inter-Agency Referral Agreement" which will be developed by the West Virginians Against Violence Committee and DJCS. A copy of the policy and Inter-Agency Referral Agreement must be submitted to DJCS during the first fiscal quarter of the grant period. Subgrantees must also train all advocates and/or staff members who come in contact with victims on the proper execution of the referral policy.</p>	

107.	Monthly Match Submission Requirement.
Subgrantees that are awarded \$100,000 or more for the grant period must submit Match on a Monthly Basis.	
108.	Mandatory Technical Assistance Training.
All Subgrantees are required to send at least one representative to DJCS Mandatory Technical Assistance Training. The person(s) attending the training must be able to adequately train other VOCA funded staff on changes in reporting requirements and the correct way to collect and report data for the Subgrant Award Report and VOCA Performance Measures.	
109.	Cab/Bus Vouchers and/or Clothing Vouchers
Subgrantees awarded Travel/Training funding for Cab or Bus Vouchers or Other funds for Clothing Vouchers, must submit the DJCS Tracking Form, corresponding Invoices, and Proof of Payment to be reimbursed. Be advised DJCS will ONLY reimburse for those Vouchers that have been used by Victims of Crime and are appropriately documented on the required form and have been approved in the subgrantee's budget for this purpose.	
110.	Enforcing Civil Rights Laws
All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.	
111.	Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$150,000.
The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward). The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.	
112.	Compliance with applicable rules regarding approval, planning, and report of conferences, meetings, trainings, and other events.
The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences. Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").	
113.	Effect of Failure to Address Audit Issues
The recipient understands and agrees that the DOJ awarding agency (OJP or OWW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.	

114.	Compliance with general appropriations – law restrictions on the use of federal funds (FY 2016)
<p>The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm, and are incorporated by reference here.</p> <p>Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.</p>	
116.	FFATA Compliance
<p>The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at http://ojp.gov/funding/Explore/FFATA.htm (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).</p>	
117.	ACORN
<p>Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OJP.</p>	
118.	Non-discrimination of Students
<p>The recipient understands and agrees that award funds may not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.</p>	

I certify that I have read the entire Standard and Special Conditions and Assurances of this grant program and agree to comply with these requirements.
