IN RE: PETITION FOR THE ESTABLISHMENT OF WOODCLIFF ACRES ROAD  
MAINTENANCE ASSOCIATION

ORDER ESTABLISHING WOODCLIFF ACRES ROAD MAINTENANCE ASSOCIATION

This <sup>20</sup> day of ~~November~~, 2018 came the Petitioners upon a Petition to establish a road maintenance association for WOODCLIFF ACRES located in Lubeck District, Wood County, West Virginia and after due notice and hearing as required under the provisions of West Virginia Code 7-12A-1 et. seq., the Commission hereby FINDS:

1. That the Petition was filed in good faith by at least 60% of the abutting landowners of Woodcliff Drive.
2. That the signatures on the Petition are genuine.
3. That the proposed association document addresses the maintenance association purpose,  
to wit:

“The purpose of this association is to protect the health, safety and welfare of persons and the general public located within the designated maintenance association area. The maintenance association shall be created with the objective of establishing and maintaining improvements for the area designated in this petition which primarily pertains to constructing and maintaining shared streets, drainage facilities, and other improvements necessary for the protection of health, safety and welfare of the users thereof and the general public.”

4. That the maintenance association will result in special benefits to all owners of residential property abutting the streets within Woodcliff Acres by providing needed maintenance and upkeep shared by all abutting owners and users thereof.

Therefore feeling it proper so to do, it is hereby **ORDERED**:

1. That the Woodcliff Acres Road Maintenance Association be hereby established under the provisions of West Virginia Code 7-12A-1 et. seq., and
2. That said Association shall be governed by the following provisions, as set forth in their Petition, to wit:
  - a. Membership: All property owners abutting the streets within Woodcliff Acres for access to their respective property to West Virginia Route \_\_\_\_ (DuPont Road)

are required to be members under the statute. Provided however that all property owners otherwise using the streets within Woodcliff Acres, for access are eligible to become members. Upon becoming members, the rights and duties of membership shall run with the land.

b. Conduct of business: Upon approval of this Petition the members of the association shall by the majority vote of those members present at the organizational meeting of the association duly elect a President, Vice-President and Secretary who shall be charged with the day to day management of the Association. These officers shall serve until replaced at an election to be held at each annual meeting. Provided however, that no action for the assessment of fees or expenditure of over \$1,000.00 shall be permitted without the majority vote of the members present at a meeting called for that purpose. All special meetings shall be scheduled at a designated place and time set by the President. All annual meetings shall be held in the month of April, at a place and time set by the President.

c. Voting Rights: All votes shall be recorded by the Secretary as one vote per property having a dwelling or other structure.

d. Fee structure: All fees shall be assessed on members having a **dwelling or other structure** located on their respective property having access via Woodcliff Drive, to be initially set at \$180.00 per year per property containing a dwelling or other structure. Provided however, any new fee or fee increase assessed under this section shall not be collectable unless notice of the proposed fee or increase is sent by certified mail to each person owning property listed in the maintenance association document. If thirty percent of the members, by signed petition, protest the assessment to the association within fifteen days of the mailing, the fee shall not become effective until it is ratified by sixty percent of the members.

e. Substantial Maintenance Expenditures: All expenditures over \$5,000.00 for road maintenance shall be predicated upon the acquisition of two bona fide estimates from qualified contractors by the officers, which estimates shall be provided to each member at least 10 days prior to any meeting considering the approval of such expenditure. Approved substantial Maintenance Expenditures may also require a fee adjustment to reasonably cover the expenditure with notice as set forth in section d, above.

f. Collection: The association shall have the authority to bill members for fees and assessments duly passed by the association. Upon non-payment of such fee or assessment for greater than 60 days the officers of the association may institute suits for the collection of such fees, attorney's fees and court costs.

g. Effect of assessments and Lien: All fees assessed under this section are declared to be debts owing to the maintenance association for which the debtor shall be personally liable. The maintenance association, or an individual designated to act for it, may enforce this liability by appropriate civil action in a court of competent jurisdiction. After being reduced to judgment and filed with the clerk of the county commission, such liability

shall be a lien on property owned by the maintenance association member and designated in the maintenance association document.

3. That any new fee, beyond that established herein, to become collectible, must comply with the provisions of West Virginia Code 7-12A-6.

4. It is stipulated and agreed that as to those lots adjoining Woodcliff Drive, that are also part and parcel of Wellesley Addition (Tax parcels 132-4 and 132-5) that this Order **shall not** be applicable to those properties unless and until such time as those lots may be sub-divided, a separate structure erected and such new lot use Woodcliff Drive as access thereto.

5. It is stipulated and agreed that as to Tax parcel 130-<sup>C3</sup> that this Order shall not be applicable to that property or any division thereof unless and until such time as the owners or occupants use Woodcliff Drive as access thereto.
