BUSINESS: Prayer by Jim Smith.

A) Moved by Dave Steele, seconded by Lee Johnson that the minutes of the Board meeting of April 11 be approved. Passed unanimously.

#### **EXISTING SEWER PLANT DEMOLITION, ETC.:**

- A) Ron continues to work on operation and maintenance of the Hyview Terrace Plant.
- B) The District has gotten a little more done on the removal of the Tarrytowne sewer plant. However, we have been working on flushing hydrants this week and some other pressing issues.
- C) The District is going to be looking at the possibility of having some in stream analysis completed on the Ohio River. This is in relationship to our NPDES permit renewal for the wastewater plant.

## **DISCUSSION OF DISTRICT HAPPENINGS:**

It was reported what has been happening in the District:

- A) Installed 1 water tap since the last Board meeting. There are 18 water taps to be installed. This gives us 12 water taps for 2002. The District has installed 0 sewer taps since the last Board meeting. There are 2 sewer taps to be installed. This gives us 3 sewer tap for 2002.
- B) Worked on flushing hydrants this week.
- C) Completed work orders, spotted lines, set meters.

#### **GENERAL BUSINESS:**

- A) Moved by Lee Johnson, seconded by Dave Steele that all bills be approved as reviewed by management and the Board, in addition to all fund transfers as presented. Passed unanimously.
- B) The District should be receiving the results from the March round of testing for the C-8 soon.
- C) The District should be receiving our Final Order on our engineering agreement within the next couple of days. It becomes final today. This will allow the District to start work on the design part of the tanks, air stripper, etc. in hopes of being better situated to get funding commitments. Moved by Dave Steele, seconded by Lee Johnson that James E. Smith, Chairman be authorized to sign the agreement. Passed unanimously.

- D) Jim would like to look at hiring a new person to start working in the office and field. He sees him as a replacement for either John or Julia but he also has GPS and CAD experience which would allow us to have him go out and start gathering the information on our water and sewer system. The Board agreed that this would be a good move.
- E) Mike Cottrill called and has invited anyone from the District that is interested to go to the Wood County Commission meeting on May 2 at 6:00 PM. He will be talking to them about what he has been proposing to the District regarding collection of fire fees for the Volunteer Fire Department.
- F) Jim Cox got Jim Smith's signature on a letter to Randy Law at Wesbanco deleting Brain Arthur's name off of the investment account. It was decided to move the District's Prudential accounts to Wesbanco to obtain a better interest rate.
- G) Jim received in the mail yesterday a letter from the Public Service Commission (PSC) in reference to the Landowner's Homeowners Water Association. The PSC has now added Lubeck PSD as an Indispensable Party to this thing and asked for an extension in time to complete. They have also told the District to respond as to why we should not be required to take this over. Jim will be talking to Mr. Hayhurst next week to get a response prepared for them.
- H) Discussion of letters received from the attorney reference to C-8.
  - I) Discussion on Wadesville Water Project.
- J) Meeting adjourned.
