Dear Jim,

We regret the resignation of Charlie Brown as a member of the Wood County Development Authority. Because of business commitments, Mr. Brown has not been able to attend the regular meetings lately, however, he has served since the authorities from inception with much interest and concern for the counties economic development.

The Central Ohio Valley Union Council, AFL-CIO being the parent organization and the voice of labor in the area would like to recommend Mr. Robert Piersol, Rt. 2, Box 146, Walker, WV 25704 as a replacement for Mr. Brown. Mr. Piersol has been a resident of Wood County his entire life, and has worked on many community and civic functions. He serves as the Business Agent For the Asbestos Workers Local #80. His duties not only include Wood County, but several others which have and will afford him the opportunity to observe what is happening economically in the region

Your positive response as soon as feasible, will be appreciated in including another knowledgeable, interested and active member for the Authority.

Sincerely,

John R. Seafler  
President

Mr. Fitro,

Due to my change in work, I am no longer available to participate in the Wood County Development Authority.

It has been a pleasure representing labor and the community working for the development of our county and area, and I hope our county can continue to grow and prosper.

I am sure you and the Labor Council can find a suitable replacement who will be able to attend and actively participate.

Sincerely,
