To Civil Case Litigants:

In accordance with the provisions of 28 U.S.C. §636(c), you are hereby notified that the full-time United States Magistrates of this District may, upon the consent of all parties in a civil case, conduct any or all proceedings in a civil case, including a jury or non-jury trial, and order the entry of a final judgment. Copies of the appropriate consent form for this purpose are attached to this notice and are available from the Clerk of the Court.

The plaintiff is responsible for securing the execution of a consent form by the parties and for filing such form with the Clerk of the Court. The Clerk will not accept a consent form unless it has been executed by all the parties in a case or their representatives, nor will a consent form be accepted unless received within 30 days after the date for filing the last responsive pleading or a motion delaying such responsive pleading. A consent received after the time specified herein may be accepted if the District Judge to whom the case is assigned determines that circumstances justify acceptance thereof and reference to the full-time Magistrate.

You should be aware that your decision to consent, or not to consent, to the referral of your case to a United States Magistrate for disposition is entirely voluntary and should be communicated solely to the Clerk of the District Court. Only if all the parties to the case consent to the reference to a magistrate will either the judge or magistrate to whom the case has been assigned be informed of your decision.

Your opportunity to have your case disposed of by a magistrate is subject to the calendar requirements of the Court. Accordingly, the district judge to whom your case is assigned must approve the reference of the case to a magistrate for disposition.

Your attention is directed to the provision in the consent form providing that any appeal shall be taken to the United States Court of Appeals for this judicial circuit, unless all the parties further consent, by signing the appropriate portion of the consent form, to take any appeal to a Judge of the District Court, in accordance with 28 U.S.C. §636(c)(4).

Very truly yours,

Ronald D. Lawson
Clerk
