Commissioner, Dexter L. Buckley, Jr.
Commissioner, Holmes R. Shaver

This morning at 9:00 a.m. a public hearing was held on the Wood County Self-Evaluation Plan prepared by County Administrator Mary R. Rader. There were no objections, and the County Commission accepted the Plan. A copy of the Plan is on file in the Administrator's Office. Order is attached.

At 10:00 a.m. Jim Dodson from Motorola, Inc., came before the Commission to present them with a copy of report put together by representatives of Motorola concerning the communications and monitoring system at the Wood County Correctional Center. The report contains recommendations as to what needs to be done to bring the system up to satisfactory working order. The Commission thanked Motorola for putting the report together and told Mr. Dodson that they would have to have discussions as to what they would need to do next. The Commission will keep Mr. Dodson informed.

At 2:00 p.m. Attorney Dave Clovis appeared before the Commission to present a letter from Nancy E. Gile stating that she wished to resign as co-executor of her parents' estates. Her parents were Dr. John H. Gile and Elizabeth E. Gile. Her brother William W. Gile will be the sole executor of both estates. She stated that being out of state was her reason for resigning. Commissioner Buckley made a motion that Nancy E. Gile be removed as a co-executor of the Estates of Dr. John H. Gile and Elizabeth E. Gile. Commissioner Shaver seconded and made the vote unanimous, as Commissioner Parrish left today at noon.

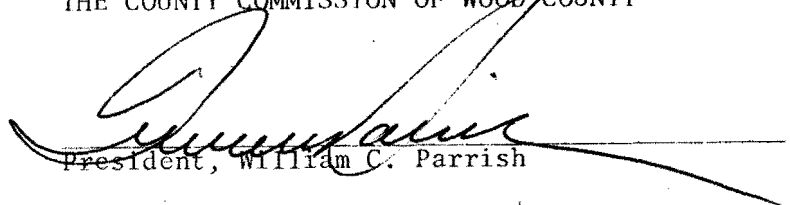

The Commission today signed an Order to hold a public hearing on the Mineral Wells residents' petition in the Wood County Judicial Building, in the Third Floor Courtroom. This hearing is scheduled for 10:00 a.m., Thursday November 8, 1984. A copy of the order is attached.

Daily business was taken care of. Several purchase orders were signed and copies are available in the Administrator's Office.

The Commission adjourned at 4:00 p.m.
