

IN THE COUNTY COMMISSION OF WOOD COUNTY, WEST VIRGINIA

IN RE: The Minutes of the Meeting held  
November 19, 1984

PRESENT: President, William C. Parrish  
Commissioner, Dexter L. Buckley, Jr.

Daily business was first on the agenda today. There were eight Personal Property Improvers signed today. Copies are on file in the Administrator's office. There were six purchase orders signed, copies also available in the Administrator's office.

At 9:45 a.m., the Sheriff's Department, represented by Sgt. Roberts, brought Tona Eugene Freed before the Commission to be sworn in as a Correctional Guard for the Wood County Correctional Center.

At 10:00 a.m. Bob Full of Goodwin & Goodwin, legal counsel for Baker, Watts & Company, presented a resolution to the Commission for their signatures. The resolution is in respect to issuance of single-family residential mortgage revenue bonds. This resolution is intended to fulfill the requirements of the Tax Act of 1984, so that this Commission can issue single family housing bonds in 1985 if it so desires at that time. A copy of the Order is attached.

After checking with the Governor's office in Charleston, the Commission issued an Order stating that County offices would be closed Friday, November 23, as well as the 22nd, for observance of Thanksgiving. Order attached.

In the afternoon, more daily business was taken care of, and the Commission adjourned at 4:00 p.m.
