

IN THE COUNTY COMMISSION OF WOOD COUNTY, WEST VIRGINIA

IN RE: The Minutes of the Meeting held

September 13, 1984

Present: President, William C. Parrish
Commissioner, Dexter L. Buckley, Jr.
Commissioner, Holmes R. Shaver

Today the Sylvia Ireland incompetency hearing came to a conclusion today. Attorney George Zivkovich presented the Commission with an Order agreed to by both sides of the Ireland family and their attorneys. Mr. Howard Dale Bibbee and his wife Vera Bibbee were appointed Co-Committee for the person only, by a motion made by Holmes R. Shaver, seconded by President Parrish. A \$100.00 bond was posted.

The Commission had announced that any requests concerning monies transferred from the Jail Improvement Fund, should be voiced no later than today. Letters were received from H. K. Smith, County Clerk, Eugene Knotts, Assessor, Juanita Coe, Clerk of the Circuit Court, and Harry Dietzler, Prosecuting Attorney. Sheriff Bechtold presented his opinions verbally. The Sheriff felt that the previously discussed pay raise for the Correctional Officers, would not be a fair raise on the basis that all county employees are underpaid. He felt it would also cause problems because it would be passing over 18 other employees in his department that he feels also deserve pay raises. He stated that under the Affirmative Action Plan, this type of a raise would not be acceptable. He said that additional duties, or certain types of merit raises would be allowable, but he did not feel that the raise previously discussed fell into this category.

Prosecutor Dietzler had requested \$6,000.00 for overtime payment for his staff. Mr. Smith, Mr. Knotts, and Mrs. Coe all requested that the

money be divided equally among the non-civil service employees of the county. The Commission indicated that a decision would be made in approximately ten days.

The Commission today signed an Order in regard to a lease agreement between the West Virginia Department of Veterans Affairs and the Wood County Commission for office space on the fourth floor of the courthouse.

The Commission also signed a resolution authorizing President Parrish and Commissioner Buckley, President Pro Tem, in his absence, to sign any documents concerning the Jug Run Waterline Extension Project.

Copies of both Orders are attached.

The following Purchase Orders were signed today:

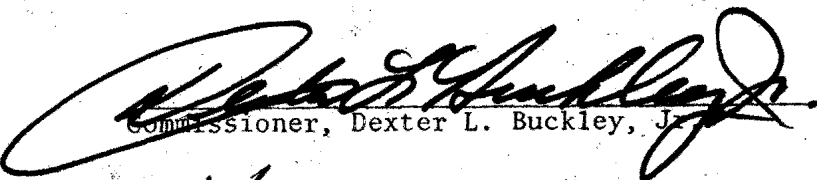

Purchase Order #8254, 8255, and 8256 to Parkersburg Office Supply for the total amount of \$303.21 for the Clerk of the Circuit Court.

Copies of the Personal Property Improvers that were signed today are attached.
