

IN THE COUNTY COMMISSION OF WOOD COUNTY, WEST VIRGINIA

IN RE: MINUTES OF THE MEETING HELD  
FEBRUARY 14, 1985

PRESENT: PRESIDENT PRO TEM, HOLMES R. SHAVER  
COMMISSIONER, LEWIS E. GUINN

At this time Commission President Dexter L. Buckley, Jr. is still recuperating from surgery.

This day the Wood County Firefighters' Association came before the Commission to make application for the "Wood County Fire Board". It was explained that in the face of losing Federal Revenue Sharing monies in the future, the Volunteer Fire Departments throughout the County will be hard-pressed for funding. The Fire Board would be able to assess property owners for fire protection. Wood County Assessor Eugene Knotts was present, and stated that he fully supports the Fire Board being formed and assessing the property owners of Wood County for fire protection. The Commission stated that they would take the matter under serious consideration.

Daily business was next on the agenda. County Administrator Mary Rader updated the Commission on their mail and daily operations.

Having no further appointments or business, the Commission adjourned at noon.

THE COUNTY COMMISSION OF WOOD COUNTY
