The Commission has asked the elected officials to meet with them Thursday March 21, 1985, at 11:00 a.m. as a group to further discuss the budget. Today's hearings were basically to get from each of the officials what they felt were the vital numbers for materials to run each office. Prosecuting Attorney Harry Deitzler subpoenaed several witnesses to testify before the Commission as to why his office should receive additional monies for additional employees as well as pay raises. He is to continue Thursday at 9:00 a.m. All of the hearings were tape recorded and are available from the County Administrator.
