The Commission told the Full's they would visit the site, talk to their legal counsel and go from there at this time. The Full's are to call back when it is not raining and they will all visit the site.

At 11:00 A.M. the Commission attended a luncheon for George A. Crosten, Maintenance employee, who is retiring at the end of the month.

The Commission authorized President Guinn to sign the Financial Report and a cover letter in regard to the Small Cities Block Grant (Claywood Park Service District-Deerwalk Extension Project) on this date. An Order was prepared for this matter.
