

IN THE COUNTY COMMISSION OF WOOD COUNTY, WEST VIRGINIA

IN RE: MINUTES OF MEETING HELD
MONDAY, MAY 1, 1989

PRESENT: PRESIDENT LEWIS E. GUINN
COMMISSIONER STEVEN A. GRIMM

ABSENT: COMMISSIONER HOLMES R. SHAVER

The Commission met in regular session on this date. They signed purchase orders, invoices, and correspondence on this date.

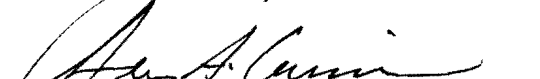

At 2:00 p.m. five (5) residents of Boaz met with the Commission to discuss the 48-unit low to moderate income housing project. This proposed project will be located off State Route 14 next to Henrie Lane in Boaz, WV. An application has been received by the Farmers Home Administration (FmHA) for financial assistance from Boaz Gardens Limited Partnership. These residents are very concerned about the availability of adequate fire protection, police protection, transportation not being available for senior citizens, the overcrowding of the school system and adequate water and sewer facilities. They also discussed the County Building Permit System. The Commission explained they could not deny a building permit on public sentiment. They explained the main purpose of the County Building Permit System was to help the Assessor's Office in putting new residences, etc. on the books. See attached list for those present for this meeting.

Having no scheduled appointments or further business, the Commission adjourned at 4:00 p.m.
