IN THE COUNTY COMMISSION OF WOOD COUNTY, WEST VIRGINIA

IN RE: MINUTES OF MEETING HELD
THURSDAY, SEPTEMBER 6, 1990

PRESENT: PRESIDENT LEWIS E. GUINN
COMMISSIONER STEVEN A. GRIMM
COMMISSIONER HOLMES R. SHAVER

On this date, the County Commission of Wood County met in regular session. They signed purchase orders, invoices and correspondence.

At 9:30 A.M., the County Commission met with Norman Richards. They discussed flood plain with Marvin Dowler.

At 11:00 A.M., the County Commission met with Jeff Woda, owner of Woda Development. Mr. Woda presented slides and plans in regard to an apartment complex that will have 44 units that his company wishes to build at Route 47, Dutch Ridge. Mr. Woda requested a letter of support from the Commission, but was denied. Woda Development will have to meet with the Assessor for tax purposes.

On this date, David C. Padden was sworn in as County Commission representative to the Regional Health Advisory Council. Mr. Padden replaces C. Edward Beary, who resigned November 2, 1989, and his term of appointment will expire September 6, 1993.

On this date, two property owners in Mineral Lake development appeared before the Commission in regard to the roads in the development. They had heard grants were available for the repair of roads. The Commission advised them that a mechanism was available in which property owners could obtain loans and have liens placed on property until such loan was satisfied. Since the development does have a home owners association, the Commission suggested that the association become active, and rules and regulations be prepared to take care of the maintenance and upkeep of their roads.

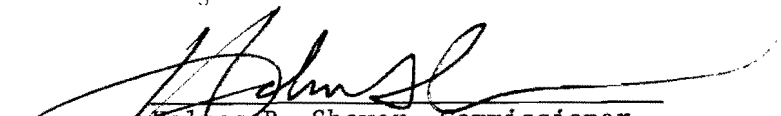

Having no other business or scheduled appointments to attend to, the
Commission adjourned at 12:00 noon.

Approved:

COUNTY COMMISSION OF WOOD COUNTY

Lewis E. Guinn, President
