In re: Payment for Housing State Sentenced Prisoners

Dear Sir or Madam:

Enclosed is a statement from the Wood County Correctional Center for the state sentenced prisoners that were housed here for fiscal year 1991/1992.

There are two forms enclosed. The first is a statement for each day that the inmates were held. The number of inmates held times twenty-five dollars a day. During certain time period during the year it was necessary to house prisoners in another county jail when they had the space, due to the chronic overcrowded conditions in Wood County. On those days I have billed the amount that Wood County had to pay for the number of prisoners that we had to have held elsewhere. These cost were approved though the Court of Claims as an extraordinary cost to the County because they presented a hardship on our taxpayers.

The second form is a monthly list of each prisoner held and the total number of days that prisoner was held for each month. This form includes the name of the prisoner, date of birth, case number and the effective billing date after the fourteen day grace period expired.

If you have any questions about my calculations, please do not hesitate to call me.

Please let me know as soon as possible when we can expect payment. Thank you.

Sincerely yours,

Sgt. Mark D. Rhodes
