

IN THE COUNTY COMMISSION OF WOOD COUNTY, WEST VIRGINIA

IN RE: MINUTES OF MEETING HELD
MONDAY, MAY 24, 1993

PRESENT: PRESIDENT HOLMES R. SHAVER
COMMISSIONER JEAN GRAPES
COMMISSIONER STEVEN A. GRIMM

On this date, the County Commission met in regular session. They signed purchase orders, invoices and other correspondence.

On this date, the County Commission approved Exonerations for Gilbert J. & Mary L. Keith.

At 10:00 A.M., the County Commission met with Jamie Six to discuss the Precinct 75 (Husk Garage). The County Commission, upon a motion made by Steven A. Grimm, seconded by Jean Grapes and made unanimous by Holmes R. Shaver, desires to retain Precinct 75 (Husk Garage) as a voting Precinct and not consolidate said Precinct with Precinct 77 (Rayon School) upon the recommendation of County Clerk Jamie Six. As requested by the County Commission, Mr. Six returned on this date with his office's findings in reference to the eligibility of the Husk Garage to be used as Precinct 75. Said Precinct is currently available. Said recommendation and resulting action taken by the County Commission was pursuant to an objection received from Larry Wright at the Public Hearing held before the County Commission on Monday, May 17, 1993 in regard to the consolidation of Precinct 75 with Precinct 77. An Order was prepared regarding this matter.

At 1:00 P.M., the County Commission opened sealed bids for the Wood County Commission - Waverly Library Project Contract for paving of the driveway and parking lot. Sealed bids were received from the following: Evans Construction Company, Rt. 1 Box 15, Mineral Wells, WV 26150 - \$ 11,925.00 and Carl Kelly Paving, Inc., P.O. Box 146, Davisville, WV 26142 - \$11,995.00 (plans prepared by Cabot Corporation). Upon a motion duly made, seconded and passed, the County Commission took said bids under advisement.

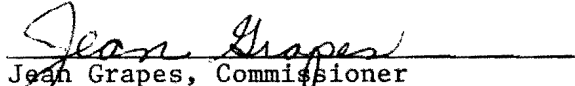

An Order was prepared regarding this matter.

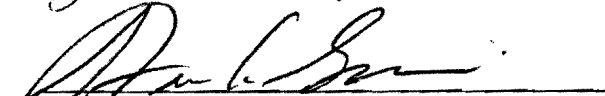

Having no scheduled appointments or further business to attend to, the County Commission adjourned at 4:00 P.M.

Approved:
