

The below changes were suggested to the County Commission for Election Day Precinct changes.

Waverly School is slated to be closed by the Board of Education and will require us to move the precinct.

The precincts at Franklin were moved during construction at PSHS. The move back to PSHS will have more parking and space for the precincts. Changes such as combining precincts already located at the same location will keep voters from going to the wrong precinct then having to go to the correct precinct.

If you have any questions, concerns or comments, please email them
