Subject: WBVFD IEI Loss
Attachments: IEI fire WBVFD Loss summary.xlsx

Mr. Seufer,

I had been submitting the WBVFD loss information to Chief Stewart and noticed in the news reports that the WBVFD was not listed as having reported losses due to the IEI fire. I contacted Chief Stewart about my concerns, and he asked that I contact you direct with our information; it is attached. Any questions, please feel free to contact me.

Thank you in advance.

Receive. Believe. LIVE READY +

Greg Stephens			9			
E11 pumped water for approximately 16 hours before it developed its electrical malfunction.						
Then went to the rental truck that pumped on/off for about 24 hours additionally.
